**November 30, 2010** – Alexis Laurent is pleased to announce its selection by LTMH Gallery (New York, NY) for the 2011 VIP Art Fair, an international contemporary art fair to be held exclusively online. Laurent will present specially commissioned works for the VIP Art Fair. The online art fair will open on January 22, 2011 at 8:00 a.m. EST at [www.vipartfair.com](http://www.vipartfair.com) and will conclude on January 30, 2011 at 7:59 a.m. EST. The fair will be open 24 hours a day with more than 130 contemporary art galleries from 27 different countries participating.

This is the first Art Fair to organize the world’s leading contemporary art galleries with the unlimited reach of the internet. An unprecedented event, VIP Art Fair gives contemporary art collectors access to artworks by critically acclaimed artists and the ability to connect one-on-one with internationally renowned dealers—from anywhere in the world and without leaving home.

“For anyone passionate about art, the Fair is a transformative experience: it delivers all the excitement of world-class art fairs with the convenience and personalization of the Internet,” said James Cohan, co-founder of VIP Art Fair in collaboration with Jane Cohan, Jonas Almgren and Alessandra Almgren. “We’ve invited the most prestigious international galleries, both established and emerging, to come together for an online event, creating a virtual community that will allow collectors, curators and the public to access distinguished galleries and learn about their artists, all with unparalleled ease and absolute discretion.”

Leila Taghnia-Milani Heller (LTMH) Gallery, New York, NY will be presenting specially commissioned works for the VIP art fair by Shoja Azari, Shiva Ahmadi, Negar Ahkami, Alexis Laurent, Kezban Arca Batibeki, Farideh Lashai, Reza Derakshani, Soody Sharifi, Rachel Hovnanian, Leila Pazooki, Roya Akhavan, Parastoo Ahovan, Shirin Fakhim, Slavs and Tatars, and many more artists.
